[1] This community did not have its own FIRM prior to this countywide FIS; however had adopted the FIRM for the unincorporated areas of Brunswick County and the FIRM for the Town of Calabash. In addition, portions of the land area for the community were previously shown on the FIRM for the unincorporated areas of Brunswick County. Therefore, the map history dates associated with this community were taken from the FIRM for Brunswick County and the Town of Calabash.

[2] The land area of this community consists of the former communities of the Towns of Long Beach (375354) and Yaupon Beach (370330). Therefore, the map history dates associated with this community were taken from the FIRMs for Towns of Long Beach and Yaupon Beach.

[3] Map History Dates for this Community are the same as dates for Unincorporated Areas of Brunswick County; See Community Map History Table in FIS report.

MAP DATES

This FIRM Index displays the map date for each FIRM panel at the time that this Index was printed. Because this Index may not be distributed to unaffected communities in subsequent revisions, users may determine the current map date for each FIRM panel by visiting the FEMA Map Service Center website at http://www.msc.fema.gov, or by calling the Map Service Center at 1-800-358-9616.

Communities annexing land on adjacent FIRM panels must obtain a current copy of the adjacent panel as well as the current FIRM Index. These may be ordered directly from the Map Service Center at the number listed above.

NOTE TO USER

Future revisions to this FIRM Index will only be issued to communities that are located on FIRM panels being revised. This FIRM Index therefore remains valid for FIRM panels dated October 16, 2008 or earlier. Please refer to the "MOST RECENT FIRM PANEL DATE" column in the LISTING OF COMMUNITIES table to determine the most recent FIRM Index date for each community.
